

COALA EASY STICK WHITE Gloss

Product Information

100 micron white gloss monomeric PVC film

Coated one side with a pattern printed pressure sensitive polyacrylate adhesive.

The adhesive is protected by a single sided, siliconised clay coated Kraft release liner.

Applications

Coala Easy Stick White Matt is a high quality ink receptive printable white vinyl, developed specifically for high vibrant print quality graphics that require easy application.

The dot pattern of the adhesive allows Coala Easy Stick Whites Gloss to be easily applied bubble free on most commercially available panels. Suitable for short term indoor applications.

Compatible with Eco-Solvent, Solvent, Latex and UV curable inks.

Technical data

Product Description	
Support	100 μ white gloss monomeric PVC film
Adhesive	Polyacrylate Adhesive - Dot Pattern
Adhesive Layer	13 μ
Release liner	135 gsm Bleached Clay Coated Kraft
Total Thickness	113 μ

Shelf Life

Store in closed original packaging in a cool, dry environment 18-25°C with 40 to 65% relative humidity

Shelf life of 6 months if stored in original packaging in recommended conditions

Standard Dimensions

1370 mm x 50 m
